You are notified of the project because you may be the owner and/or occupant, whose residence and/or business establishment is abutting or immediately adjacent to the construction works proposed. This letter is meant to provide you with some information of the project, which we hope may be useful to you.

The construction is **tentatively** scheduled to start April or May of this year.

Plans and information for the project will be displayed on the Engage Welland website at <https://www.engagewelland.ca>. Once on the website, simply click the **Infrastructure Renewals 1 – Garner, Grove and Randolph** project to review the provided information and to submit your questions.
